

ST CANICE'S
PRIMARY
KATOOMBA

13 Dec 2021

Dear Parents & Carers,

We look forward to welcoming you and your child back to St Canice's in 2022.

We are introducing a change to our normal return to school routine, outlined below.

Your child will come to school on Monday 31 January for a 30 minute meeting with one of his / her team teachers

Explanation:

We will start the year off on Monday, 31st January with a brief meeting (35 minutes) between your child and one of your child's teachers for 2022. As you drop your child, you will have the opportunity to say a quick "hello" to the teacher.

The teacher will work with your child on some Maths-based activities for approximately 30 minutes. The purpose of this Maths work is to enable us to find out where your child is at in his / her Maths learning and to use this information to help us in planning your child's learning in Maths from Day 1 2022.

This data has always been gathered in the past, we refer to it as MAI data. In 2022 we will gather it before the children start the school year. It is a very child-friendly process so there is no need to prepare or to worry.

If you have any further enquiries, please contact the school on 4780 6800.
